3 year old program: - Tuesday/Thursday *or* Wednesday/Friday 9:15-11:30

The three year old program focuses on personal and academic growth. Children are introduced to and receive reinforcement in their letters, numbers, colors and shapes. Name recognition, following two and three step directions, learning to take turns, listening, cleaning up along with cooperating within a group of peers are all important components of our curriculum. We’ll use thematic units and fun activities to promote age appropriate development.

4 year old program: - Monday, Tuesday and Thursday 12:15 - 2: 45
NEW:* optional 4 or 5 days on *Wednesday or Friday

The four year old program Pre-K program in conjunction with Wayne UPK class. is designed for kindergarten readiness along with fostering independence in all tasks. While continuing to build on concepts and ideas introduced in our three year old program, we encourage four’s to be more self-sufficient and self-confident as they work on their decision making skills. Our curriculum is not only geared toward preparing our students academically but also socially and emotionally. We prepare the “Whole child”!

Spaces in specific days/classes are filled on a FIRST COME-FIRST SERVE BASIS!
